WARNING

CLASS 1 LASER PRODUCT

| CLASS 1 LASER PRODUCT
APPAREIL Á LASER DE CLASSE 1
PRODUCTO LASER DE CLASE 1 | CAUTION
INVISIBLE LASER RADIATION
WHEN OPEN AND INTERLOCKS
DEFEATED.
AVOID EXPOSURE TO BEAM | |

This product contains a low power laser device.

Warning: Do not touch the lens.
DO NOT THROW BATTERIES IN FIRE !

PRECAUTIONS

Follow the advice below for safe and appropriate operations.

ON PLACEMENT
• Do not use the unit in places which are extremely hot, cold, dusty, or humid.
• Place the unit on a flat and even surface.
• Do not restrict the air flow of the unit by placing it in a place with poor air flow, by covering it with a cloth,
  or by placing it on a carpet.

ON SAFETY
• When connecting and disconnecting the AC cord, grip the plug and not the cord itself. Pulling the cord may damage
  it and create hazard.
• When you are not going to use the unit for a long period of time, disconnect the AC power cord.

ON AC VOLTAGE
• Before use, check that the rated voltage of your unit matches your local voltage.

ON CONDENSATION
• When left in a heated room where it is warm and damp, water droplets or condensation may form inside the CD player.
• When there is condensation inside the unit, the unit may not function normally.
• Let it stand for 1 to 2 hours before turning the power on, or gradually heat the room up and dry the unit before use.
* Ensure a minimum distance of 5 cm around the apparatus for sufficient ventilation.
* Ensure that the ventilation is not impeded by covering the ventilation openings with items, such as newspapers,
  table-cloths, curtains, etc..
* Do not place naked flame sources, such as lighted candles on the apparatus.
* Take attention to the environmental aspects of battery disposal.
* Use the apparatus only in moderate climates (not in tropical climates).
* Do not expose the apparatus to dripping or splashing.
* Do not place objects filled with liquids, such as vases, on the apparatus.

• Mains plug is used as the disconnect device. It shall remain readily operable and should not be obstructed during
  intended use. To be completely disconnected the apparatus from supply mains, the mains plug of the apparatus shall
  be disconnected from the mains socket outlet completely.

Should any trouble occur, disconnect the AC power cord and refer servicing to qualified personnel.

	CAUTION RISK OF ELECTRIC SHOCK DO NOT OPEN	
The lightening flash with arrowhead symbol within the triangle is a warning sign alerting the user of "dangerous voltage" inside the unit.	**ATTENTION :** To reduce the risk of electric shock, do not remove the cover. There are no user serviceable parts inside the unit. Refer all servicing to qualified personnel.	The exclamation point within the triangle is a warning sign alerting the user of important instructions accompanying the product.

In case of misfunction due to electrostatic discharge the apparatus has to be reset by disconnecting it from mains supply.

**THE MARKING PLATE IS LOCATED AT THE BACK OF ENCLOSURE OF THE APPARATUS.**

POWER SUPPLY

USING HOUSE CURRENT
Before use, check that the rated voltage of your unit matches your local voltage.

USING BATTERIES
Disconnect the AC power cord from the AC inlet of the unit. Battery power is cut automatically by the cord while it is connected.

To AC outlet

To AC socket →

When the volume decrease, or the sound distorts, replace all of the batteries with new ones.
battery door

Insert **batteries***:*
8 x 1.5 V (UM-2 or "C" size)

4. Then, press ◄◄ ►► skip buttons to select the volume of the sound,
   press the "TIMER/SLEEP" to confirm.
MAINTENANCE

CLEANING CD
If the CD skips or will not play , the disc may need cleaning. Before playing, wipe the disc from the centre out with a cleaning cloth. After playing, store the disc in its case.

CLEANING THE UNIT
Do not use volatile chemicals on this unit. Clean by lightly wiping with a soft cloth.

IMPORTANT NOTE
If an abnormal display indication or an operating problem occurs, disconnect the AC power cord and remove the batteries. Wait at least 5 seconds, then reconnect the AC power cord or reinstall the batteries.

WARNING
Should the CD door be opened before the reading of the CD completed, a jamming noise may occur. This is resolved by closing the CD door.

Dimensions:	420 (L) x 238 (D) x 174 (H)mm
Weight	3.15 Kgs

Due to continuing improvement, the features and the design are subject to change without notice.

Where to place the item :
Today's furniture is coated with a wide variety of lacquers and synthetic-coatings that are treated with an extensive range of cleaning products. Therefore, the possibility that some of these substances contain components that react adversely to the rubber feet of the item and soften them, cannot be completely excluded. The rubber feet of the appliance can cause discoloring to furniture surfaces. If necessary, place the appliance on a non-slide surface.

If at any time in the future you should need to dispose of this product please note that Waste electrical products should not be disposed of with household waste.Please recycle where facilities exist. Check with your Local Authority or retailer for recycling advice. (Waste Electrical and Electronic Equipment Directive)
